3. REVIEW OF THE ACT LANGUAGES POLICY

Many Voices: The ACT languages policy 2012-2016 is due for review this year. The policy includes a number of commitments to promote, enhance and safeguard the language skills in the ACT community. These relate to:

- Australian languages in the ACT region
- English language programs
- interpreting and translation services and using plain English
- the learning and valuing of languages in addition to English
- maximising the economic benefits of the many languages spoken in the ACT

A copy of the policy can be seen at

<http://www.communityservices.act.gov.au/multicultural/publications/amended-act-languages-policy>

As part of the review, the ACT Office of Multicultural Affairs (OMA) is planning to host one or two public forums in June. At these forums, OMA will:

- report on the implementation/outcomes of the policy and
- seek community feedback and ideas about what the policy has achieved and how it needs to be updated and augmented.

Interested in being involved in the review? Contact languagesact@gmail.com with your comments and ideas and/or to be kept informed about the proposed public forums.
