

Walk together, talk together

Celebrate International Mother Language Day

Please join us for a fun day in the sun, celebrating Australia's diversity of languages and cultures!

We have a packed program with a bunch of Australia's finest singers, rappers, traditional dances, African drummers, poets and more from across all walks of our community.

There will be a sausage sizzle, jumping castle, face-hena painting and a free T-shirt* for early comers! Come along in your community's national costume or come as you are. Just make sure you don't miss it!

PROGRAM

- The day **starts** near the International Flags Display (behind Questacon car park) on Lake Burley Griffin **just before 10.30am**
- There will then be a community **Language Walk at 11am** across the bridge and around the lake to Stage 88 in Commonwealth Park (near Regatta Point).
- With a warm up band performing from 11am, the main **Cultural Performance Program** will formally commence on Stage 88 **from 11.50am** and conclude around **1.30pm**.

We look forward to seeing you there!

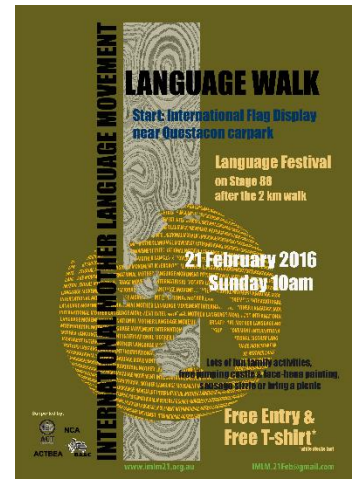

Parking is available at the program start near Questacon. Near Stage 88 you can park off Barrine Drive either near Regatta Place or on the West side of the Bridge (usual Floriade parking places). You could also park near Allara St in Civic and walk across to Commonwealth Park and Stage 88.
