

# Chinese Rainbow Scout Group

*A new Chinese Scout Group is starting in the ACT.  
Young people aged 14-26 can join now; 6-13 year-olds may be able to join in 2014.  
We also need volunteer leaders and adults to help.*

*Most of these young people are overseas students, so their parents are not in Australia. That means we need extra adults to help out.*

*Venturers: 14-17 years meet Saturdays 2-4pm  
Rovers: 18-26 years meet Thursdays 2-4pm  
at the Scout Hall in Tooms Place, Lyons.*

*We will be doing Scouting activities, speaking in both Chinese and English. Some of our Scouts can't speak Chinese, but most of them speak Chinese as a first language.*

*Discover the Real Thing. Get away from the stress of your everyday life and escape to a place where you can learn and grow together in a safe, encouraging and challenging environment.*

*An outdoor skills adventure equipping you with new skills and knowledge, leaving an impact that will carry on back to the classroom.*
